

Critical illness insurance

Critical illness insurance may help you cover expenses not covered by your health insurance.

It's a cash payment you receive if you ever experience a serious illness like cancer, a heart attack, or a stroke, giving you the financial support to focus on recovery.

Who is it for?

Critical illness insurance is a supplemental policy for people who already have health insurance. It provides you with an additional payment to cover expenses like deductibles, treatments, and living costs.

What does it cover?

Critical illnesses include strokes, heart attacks, Parkinson's disease and cancer. Our policies can cover over 30 major illnesses, helping you stay financially stable by paying you a lump sum if you're diagnosed with one of them.

Why should I consider it?

Health coverage is becoming more expensive, with higher co-pays, premiums, and deductibles. Critical illness insurance is an affordable way to supplement and pay for additional expenses that your health insurance doesn't cover. Our policies typically provide payments for the first and second time you're diagnosed with a covered illness.

Plus, critical illness insurance is portable and payments are made directly to you.

You will receive these benefits if you meet the conditions listed in the policy.

Critical costs

John is hospitalized after a heart attack, and has to cover the cost of five days as an inpatient.

Average heart attack hospitalization expense: **\$53,000**

Average Major Medical deductible: **\$1,500**

Major Medical covers 80% of the cost after the deductible is met, but John's still responsible for 20%: **\$10,300**.

Total out-of-pocket amount for John (deductible + coinsurance): **\$11,800**.

John has a **\$10,000** Guardian Critical Illness policy, which covers the majority of these out-of-pocket expenses.

EXCLUSIONS AND LIMITATIONS

A SUMMARY OF PLAN LIMITATIONS AND EXCLUSIONS FOR CRITICAL ILLNESS:

We will not pay benefits for the First Occurrence of a Critical Illness if it occurs less than 3 months after the First Occurrence of a related Critical Illness for which this Plan paid benefits. By related we mean either: (a) both Critical Illnesses are contained within the Cancer Related Conditions category; or (b) both Critical Illnesses are contained within the Vascular Conditions category. We will not pay benefits for a Second occurrence (recurrence) of a Critical Illness unless the Covered Person has not exhibited symptoms or received care or treatment for that Critical Illness for at least 12 months in a row prior to the recurrence. For purposes of this exclusion, care or treatment does not include: (1) preventive medications in the absence of disease; and (2) routine scheduled follow-up visits to a Doctor.

We do not pay benefits for claims relating to a covered person: taking part in any war or act of war (including service in the armed forces) committing a felony or taking part in any riot or other civil disorder or intentionally injuring themselves or attempting suicide while sane or insane.

Employees must be legally working in the United States in order to be eligible for coverage. Underwriting must approve coverage for employees on temporary assignment: (a) exceeding 1 year; or (b) in an area under travel warning by the US Department of State, subject to state specific variations.

If the plan is new (not transferred): During the exclusion period, this Critical Illness plan does not pay charges relating to a pre-existing condition. If this plan

is transferred from another insurance carrier, the time an insured is covered under that plan will count toward satisfying Guardian's pre-existing condition limitation period. A pre-existing condition includes any condition for which an employee, in a specified time period prior to coverage in this plan, consults with a physician, receives treatment, or takes prescribed drugs. Please refer to the plan documents for specific time periods. State variations may apply.

Guardian's Critical Illness plan does not provide comprehensive medical coverage. It is a basic or limited benefit and is not intended to cover all medical expenses. It does not provide "basic hospital," "basic medical," or "medical" insurance as defined by the New York State Insurance Department.

Health questions are required on late enrollees. This coverage will not be effective until approved by a Guardian underwriter.

This policy will not pay for a diagnosis of a listed critical illness that is made before the insured's Critical Illness effective date with Guardian.

The policy has exclusions and limitations that may impact the eligibility for or entitlement to benefits under each covered condition. See your certificate booklet for a full listing of exclusions & limitations..

If Critical Illness insurance premium is paid for on a pre tax basis, the benefit may be taxable. Please contact your tax or legal advisor regarding the tax treatment of your policy benefits..
